

On behalf of the St Anthony's Community, we would like to say thank you to those students, parents and grandparents who participated in our **Winter Walk to School Week** which wrapped up on Friday of Week 4 with our **Walk to School Morning**.

The **Year 6 Organisation Group** was instrumental in promoting and running the daily events alongside all the support they provided on our Walk to School morning.

You may have noticed the wonderful banner that the **School Safety Program (ACT Government)** provided our school with to promote the Winter Walk to School Week. We are also grateful to them for the donation of our raffle prizes to our lucky winners for the Active Travel Tracker draw.

Winter Walk to School Day at-a-glance

- 154 students actively travelled to school 😊😊
- 11 students travelled by bus 😊
- Kindergarten and Year 1 had more students travel actively than be transported by car – great job! 😊😊
- The number of Year 3 students who travelled by car was almost double those that travelled actively 😞
