FATHER'S DAY

Our Father's Day celebrations were a wonderful success, filled with joy and connection. Although I was away attending a professional development day, I heard glowing reports from both children and staff about how special the afternoon was. A heartfelt thank you to all the dads who took time out of their day to visit preschool—it truly meant a lot to us. We hope you enjoyed the gifts made with love and had a fantastic Father's Day surrounded by family.

R U OK DAY

We celebrated RU OK? Day in preschool with a joyful burst of yellow, bubble blowing, face painting, and singing, all while exploring ways to help our friends feel happy and supported. The day beautifully complemented our current learning focus on empathy, as children practiced recognising emotions and showing kindness through play and conversation. It was a heartwarming reminder of the importance of checking in and caring for one another.

TERM 4

Term 4 is almost here, and I'm so proud of how far the Possums have come—it's hard to believe we're heading into our final term together! We've got a busy and exciting few months ahead, filled with excursions, concerts, and plenty of learning. It's shaping up to be a wonderful way to wrap up the year, and while I feel a little sad knowing our time is coming to an end, I'm overwhelmingly proud of each and every one of them. Have a safe and relaxing holiday!
